TONE MUSIC STORE - GUIDE

Step-4 Delete products

In order to delete the product, the required is selected from the table and the edit button is pressed. A confirmation is then asked and if pressed "ok", the selected product is deleted.

The following images show how the products are deleted.

The screenshot displays the Tone Music Store Administrator interface. On the left is a sidebar with the store logo and a 'Configure Table' section containing input fields for Product ID, Product Name, Type (set to Bass), Brand (set to Mantra), and Price. Below these are buttons for Add, Edit, Delete, Clear, Save, and a 'Go to User Panel' button. The main area shows a 'Welcome, Administrator' message with a 'Log Out' button and a table of products. A 'Delete rows' dialog box is open, asking for confirmation to delete the selected row(s).

Step-7 Save changes

After making changes to the table, it must be saved in order to update the database. To make permanent changes, the "save" button is pressed.

The screenshot displays the 'TONE Music STORE' Administrator interface. On the left is a 'Configure Table' sidebar with input fields for Product ID, Product Name, Type (set to 'Bass'), Brand (set to 'Mantra'), and Price. Below these are buttons for 'Add', 'Edit', 'Delete', 'Clear', 'Save' (highlighted with a red box), and 'Go to User Panel'. The main area shows a 'Welcome, Administrator' header with a 'Log Out' button and a table of products. A 'Save' dialog box is open in the center, displaying an information icon, the text 'Changes saved permanently', and an 'OK' button.
